

PORT OF AIRLIE

BOAT RAMP AND EXCLUSION ZONE

Golding Contractors Pty Ltd advise Airlie Beach residents and others that a perimeter fence will be erected on the southern side of the boat ramp, located on the southern side of the Whitsunday Sailing Club. The fence will not prevent use of the boat ramp, but is being erected in an effort to secure the safety of the general public during construction of the Port of Airlie marina development. The fence also will delineate the Maritime Exclusion Zone from those areas open to the public. The Maritime Exclusion Zone was gazetted expressly for the purpose of maximising public safety by excluding the general public from the works area.

Further queries or comments can be directed in writing to the Secretary, Port of Airlie, Community Reference Group at PO Box 2356, Wellington Point, QLD 4160 or via email: info@crgairlie.com.au
