

# VESSELS ON BEACH AT MUDDY BAY

Formal notice is hereby given to owners and or occupants of vessels and other structures, currently moored, beached, situated or abandoned within the precinct of the Port of Airlie development at Muddy Bay, that such vessels and other structures must be removed by midday on Monday July 24, 2006.

These vessels are within lease areas legally held by the Port Of Airlie development and further, also are within the Maritime Exclusion Zone declared by the Queensland Government, Maritime Safety Queensland.

Works are scheduled to commence soon on the Port Of Airlie development and no responsibility can be taken for the future security of any vessel remaining within the exclusion zone after midday, July 24, 2006.

Please note that every reasonable attempt has been made to contact owners and occupants directly by repeated visitations to these vessels and structures and by placing notices upon them.

Any vessel owner or occupant requiring any further information should contact the Secretary, Port of Airlie, Community Reference Group in writing at PO Box 2356, Qld 4160 or by email: [crg@portofairlie.com.au](mailto:crg@portofairlie.com.au).
